Invest in Curarrehue: 5,000 m² of Pure Nature

UF 242

$10,000,000 · UF 0.05 / m²

AREA
5,000 m²

DESCRIPTION

Discover a unique opportunity to invest in a stunning country plot located in the picturesque Araucanía region of Chile. Situated in the charming province of Cautín, specifically in Curarrehue, the property is located in the peaceful Catripulli area of Rinconada.
The subdivision is planned to provide electricity and water to each lot.

With an impressive total area of 5,000 square meters—including both living space and land—this property offers a spacious and versatile setting to bring your dream project to life. The lot's dimensions—100 by 50 square meters—provide the perfect canvas for a life surrounded by nature in the heart of Chile.

This valuable real estate stands out not only for its size but also for the country living opportunities it promises. Whether you wish to live surrounded by nature and the serenity the region offers, or take advantage of the investment potential that a property of this quality ensures, here you'll find the ideal balance between nature and comfort.

Don't miss the chance to become part of this beautiful commune in Curarrehue and enjoy the wonders of the Araucanía region. Contact us for more information and discover how you can claim this piece of paradise for yourself and your family. This is, without a doubt, an unparalleled opportunity in a simply spectacular setting.
