DESCRIPTION

Discover Altos del Lago, the project that redefines life in Patagonia by offering the perfect balance between natural grandeur and modern convenience.
Our lots offer a natural vantage point that will treat you to breathtaking panoramic views of the pristine Lake Atravesado and the imposing Patagonian peaks. Here, nature isn't just a backdrop—it's your new lifestyle, allowing you to live in complete harmony and tranquility.
But the magic of Altos del Lago goes beyond the landscape. It is strategically located to ensure your connectivity and future appreciation in value:
Proximity to Coyhaique: Enjoy the peace of the countryside knowing that you're just a short drive from downtown Coyhaique, the regional capital. Quickly access all services, shops, and healthcare facilities without giving up your Patagonian retreat.
International Reach: Secure your investment thanks to the proximity to Balmaceda International Airport (BBA), the future hub connecting Patagonia. This proximity guarantees high demand and sustained appreciation in property value as the region establishes itself as a global destination.
